

SHERFIELD
BOARDING

December 2025

Archers Lodge Boarding Newsletter

The boarding house has felt busier than ever this half term and the festive cheer has really turned up a notch in the last couple of weeks!

Our Christmas celebration was a real highlight - it was wonderful to see our boarders chatting and enjoying each other's company over dinner and then playing games, having fun and taking photos to mark the occasion.

Trips and Activities

Our new weekend activity schedule is working really well and we are delighted that the boarders have been able to enjoy such a wide range of trips and activities. From London to Portsmouth, Winchester to Guildford, doing everything from shopping to laser tag, trampolining to paintballing, it's been action-packed and loads of fun.

See highlights on the next page!

We have also got lots planned for next term, and we will be giving our younger boarders the chance to invite a day pupil over after school on certain dates.

New Duty Phone Number:

Please be aware that as of January we will have a new phone number for the Duty phone. This will be used for WhatsApp and texts/calls, so we kindly ask that you update your contacts and use this number going forward.

We will be updating this with all boarders upon their return too.

07856 157 585

Our boarders always make us proud, but this term we have seen some really outstanding achievements, from UCAS offers and interviews, to sporting success and musical mastery at some of the recent concerts.

Several of our boarders were awarded certificates at the recent celebration assemblies and we would also like to commend Phoebe for achieving the highest number of House Points this term!

We are saying farewell to two of our wonderful short-term boarders, Leni and Maxima. They have been highly valued members of the house and we will miss them next term but would like to take this opportunity to wish them the very best of luck!

Decorating the house

Laundry and Lost Property

We have noticed a significant increase in the amount of unnamed clothing in the boarding house this term. This is leading to lots of lost property and, whilst we do our best to reunite items with the rightful owners, it is tricky when so many items are unnamed.

Please can we encourage you all to label all items of clothing and bedding and check that any existing labels are still in place and legible.

This ultimately helps to ensure your child's belongings get back to them so that they have what they need.

Happy New Year

Best wishes for 2026
